

Acordis Technology & Solutions Among South Florida Business Journal's Fast 50 and Inc. 5000 Honorees

Miami, Florida – *Acordis Technology & Solutions announced that they have made the South Florida Business Journal's Fast 50 and the Inc.5000 list, recognizing the 50 fastest-growing private companies in South Florida and the fastest growing companies in America, respectively.*

Acordis, the provider of managed IT services, data management, [cloud computing](#), digital signage and more, was honored at South Florida Business Journal Fast 50 awards virtual event for amazing evolution in a short span of time. South Florida Business Journal Fast 50 awards announce two lists, namely the top 25 companies with less than \$25 million in revenue and top 25 companies with more than \$25 million in revenue. Acordis Technology & Solutions is ranked fourteenth among 25 companies that generated revenue of more than \$25 million. The ranking was declared at the Fast 50 Awards virtual ceremony on Wednesday, August 26.

This month, Acordis Technology & Solutions was also named in the Inc.5000 list of Americas' fastest-growing private companies. The private companies honored were ranked according to percentage revenue growth from 2018 to 2020. The minimum revenue required for 2018 is \$100,000; the minimum for 2020 is \$1 million. For Acordis, it was a proud moment making the Inc. 5000 list and being recognized for the great work they have done.

Acordis, a leading IT consulting firm headquartered in Miramar, Florida, is proud to be included on both lists. They are looking forward to continuing this path and expanding their solutions to help businesses achieve their long-term goals.
