

## Acordis Technology & Solutions Among SFBJ Fastest Growing Technology List 2020

**Miami, Florida:** *Acordis Technology & Solutions is proud to have made the South Florida Business Journal's Fastest Growing Technology List. They placed fourth on SFBJ fastest growing technology list this year. The ranking is based on 2018-2019 revenue percentage growth of the company.*

South Florida Business Journal collects information from the companies' representatives and required revenue verification in tax documents or a letter from an independent accountant or CFO. To be eligible for the fastest growing technology list, companies must be based in South Florida and be involved in the production of high-tech products or services, including (but not limited to) computer hardware and/or software, medical technology, telecommunications and electronics. Companies must also have a minimum 2018 gross revenue of \$500,000. South Florida Business Journal includes the following metro areas in the list: Miami, Fort Lauderdale, and Palm Beach.

Acordis, a top-notch IT consulting firm headquartered in Miramar, Florida, offers managed IT services, cloud computing, data management, [digital signage](#), networking, IT security, and more. They help companies and organizations perform efficiently, productively, and competitively to achieve their long-term goals. Being the official IT solutions provider for the Miami HEAT, Acordis has served over 2,000 clients nationwide while bringing innovative ideas and cutting-edge technology to businesses throughout South Florida.

As Acordis Technology & Solutions has gained recognition and become the fastest-growing technology segment today, the company is tapping a growing market opportunity. With a skilled and motivated team, Acordis has cultivated a loyal clientele and have earned a reputation for consistently delivering advanced IT solutions and services. They have created strong client relationships and built industry awareness across the Florida marketplace.
